**We are an Aged Care Service
with a difference**

We are on a mission to fight the biggest issue facing older people today - **LONELINESS.**

AND WE ARE WINNING!!!

There is no person in our program whose birthday wouldn't be celebrated.

EVERY CHRISTMAS there is Santa smiling with our clients and giving away presents.

WHEN EASTER COMES we are painting eggs for good luck all year round - and it works.

PEOPLE OF EUROPEAN ORIGIN know that music and dancing is the best medicine for vitalizing the mind and strengthening the body - which is why we sing and dance every week, as we have been for the last 26 years. And we exercise - you should see our balloon fights! Footy players wouldn't be stronger than us.

OH, YES, OF COURSE WE WILL HELP YOU with personal care and around the house and garden, and we will take you shopping and to doctors, and we will buy the armchair you always wanted.

WE DON'T SAY NO!!!

WE SAY LETS TALK!!!

And we wouldn't tell you how much you have to pay either - we will negotiate.

ALL YOU NEED TO DO IS ASK!!!
